Shake Vigorously Before Each Use

Do not add water directly to concentrate in bottle. Only mix concentrate with a volume of water for use.

- Use CATALYST to complete your fertilization program & provide that crucial link to maximize results.
- For home container plants, gardens, greenhouses & turf.
- May be used as a component to a multipart formulation combining Earth Juice Grow, Bloom, Catalyst, MicroBlast & Meta-K.
- May be used with many organic or synthetic plant nutrients. Do not use with synthetic timed-release fertilizers.
- For use in soil, soilless, rockwool, hydroponics & hydro-organics.
- Apply with sprayers, irrigation systems, dosers or manually.

1 tsp = 5 ml 1 Tbsp = 15 ml fl oz = 30 ml gal = 3.785 L

GENERAL USE RATES PER GALLON OF WATER
Soil / Soilless

Mild 1 tsp **Normal** 1 Tbsp **Strong** 2 Tbsp **Xtra Strong** 3 Tbsp
Foliar 1-4 Tbsp **Container plants** 1-3 tsp **Gardens** 2-4 Tbsp

Hydroponics – Hydro-Organics

Add to nutrient solutions for an organic boost.
Mild 1 tsp **Normal** 1 Tbsp **Strong** 2 Tbsp **Xtra Strong** 3 Tbsp

FREQUENCY OF APPLICATIONS

Foliar feed every 1-2 wks **Container plants** every 1-4 wks
Gardens every 4 wks at 1 gal of solution per 100 sq ft
Hydroponics – Hydro-Organics add every 3 to 7 days or at nutrient change.

Home Turf Care

To 25 gals of water add: Grow 32 oz, Bloom 4 oz, Catalyst 6 oz, Meta-K 18 oz, MicroBlast 4 oz.
Apply with sprayers at 25 gals per quarter-acre or 5 gals per every 2200 sq ft, 3-6 times a season.

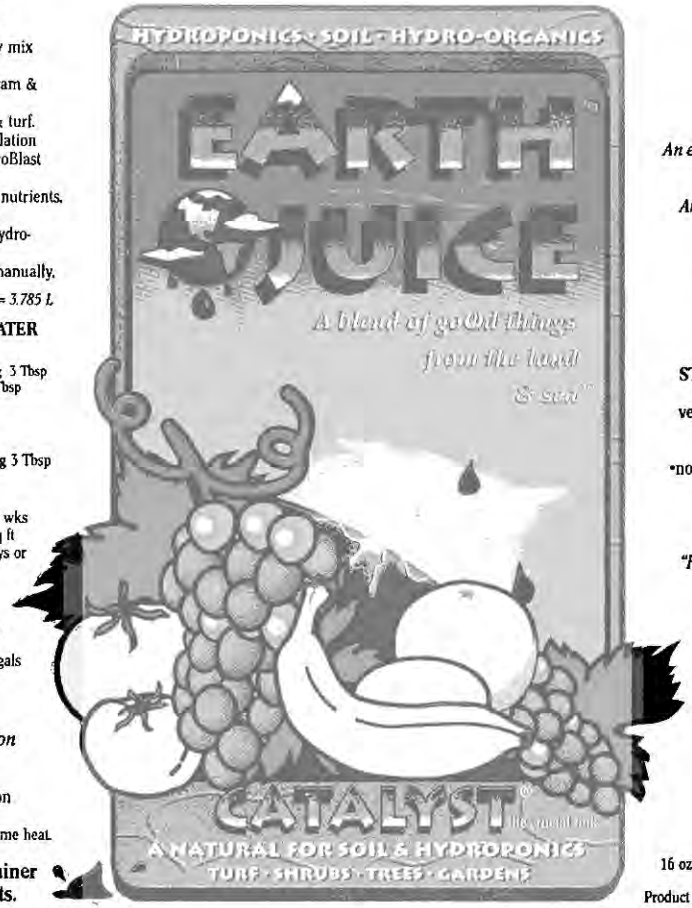
For further information write to OGM

"A biologically active soil is the foundation for sustainable agriculture."

Listed by OMRI for use in organic production

Store in a cool dark area. Do not freeze or expose to extreme heat.

Keep tightly sealed in the original container and out of the reach of children & pets.



EARTH JUICE CATALYST

An exotic array of 100% organic ingredients brought together in a convenient liquid concentrate.

An environmentally conscious effort to provide alternatives to synthetics.

Now the benefits of organics can be applied to hydroponics & soil.

For all stages of plant growth.

STIMULATES PLANT GROWTH & PRODUCTION

vegetables • trees • shrubs • turf • herbs • ornamentals

No hidden NPK boosting synthetics
•no urea •no artificial additives • no dust

FROM 100% NATURAL SOURCES

"Help make this a healthy planet for all living things."
